

# English Department Impromptu Speech Contest

## 2018

In 2018, the Department of Applied English, Southern Taiwan university of Science and Technology, has held a variety of competitions and activities to promote students' interest and proficiency in English. Besides taking regular courses, students can test their learning progress by taking part in competitions and activities.

Do you suffer from stage fright? If so this competition will be the extreme test of your nerves. This is no ordinary speech, where you can spend time in preparation, thinking, researching and then writing out what you are planning to say beforehand. Impromptu means you are given a topic and within a couple of minutes you have to stand on stage and speak in clear English in front of your peers and judges. It is easy to panic and go completely blank, but these brave contestants gave exceptionally good speeches to justly win their prizes. Southern Taiwan University of Science and Technology has recruited many overseas students; many of them also participated in this competition. Both teachers and students felt rewarding as the competition acts as an international exchange of ideas and thoughts.

Come to Southern Taiwan University of Science and Technology One day you too could give a wonderful, off the cuff speech in English

### 2018 年南台應英系即興演講比賽

為了訓練學生的英文能力及加強學生的學習興趣，南台應英系於 2018 年舉辦了一系列英文比賽和活動。除了平日上課，學生也可以參加各種活動和競賽來測試自己的學習成果。

你上台說話會怯場嗎？如果會的話，這場比賽將是對你神經的極端考驗。在一般普通的演講，你可以花時間準備，思考，研究，然後寫出你預先計劃說的內容。然而即興意味著給你一個話題，幾分鐘之內，你必須站在舞台上，在同學和評審面前用清晰的英語說話。這很容易讓人驚慌失措，腦袋空白。但是在 2018 年南台應英系的這場即興演講比賽，這些勇敢的參賽同學就克服了恐懼和害羞，侃侃而談，每個人都發表了精彩有趣的演講。因為南台科大致力於校園國際化，所以不只來自台灣的應英系同學，許多外籍生也參加了這場英文即興演講比賽，他們也都贏得了優異的獎項。在場同學和老師都覺得能透過演講

比賽進行一場國際交流，獲益良多。

就讀南台應英系，享受多采多姿的大學生活，有一天你也可以輕鬆用英語演講!
